

County Financial Problems Growing

Preparation Of Second
Drastically Reduced
Budget To Begin Soon

An "agonizing reappraisal" of all facets of county government spending has been started as Madison county officials plan for their 1962 budget.

With budget preparation scheduled to begin Nov. 27 and adoption action listed for the Dec. 20 board meeting, officials and appointive officials and committees are seeking ways of paring further a spending level that they had "cut to the bone" for the present five-month budget.

Two potential solutions already are on the reject list. Efforts to obtain temporary tax relief through the legislature have been turned down several times at Springfield. And no thought is being given to a tax rate election, in the belief that the timing would be inopportune.

The problem boils down to the basic fact that the county is expending \$200,000 a month more than it is receiving from all sources of income. Surplus funds are being used and will still be available for several months in the new calendar-fiscal year. But, after that, the outlook appears bleak.

\$200,000 Idea

In emphasizing that there are no referendum plans, perennial County Board Chairman Gus Haller makes this comment: "If and when the money is really needed, we will find a way to raise it." He says he has an idea that might raise \$200,000, but will not give details at this time. Leslie Prehn, chairman of the county board's finance committee, is less certain. He says he expresses doubt that much budget trimming will be possible. And it has been noted that additional appropriation for maintenance, not contained in the current budget, will have to be included in the 1962 budget.

Officials meeting jointly last week to review the finances were Haller, Prehn, County Auditor John L. Kraynak, Miss Eulalia Holt, county clerk, Assistant State's Attorney, Burton Bernard, Wood River Supervisor, Fred Grenzbech, Granite City Supervisor, Nelson Hagrader, J. Edmiston and Stephen Kennedy, finance committee members and Nameoki township Supervisor Harry Briggs, a member of the legislative committee. Grenzbech said he recommended that county department heads be asked to submit recommendations on the financial committee on what present services could be dropped to achieve savings.

Bernard suggested that the county board discuss referendum policies though no vote is to be called.

Warrants Authorized

Prehn reported that the county board has authorized sale of up to \$200,000 in tax anticipation warrants if this proves necessary. However, the discussion brought out that retirement of warrants would be necessary each year, with both principal and interest covered from the existing income.

The county has been operating for the past decade on the assumption that its maximum general fund tax rate was 10 cents on each \$100 of assessed valuation. An Illinois Supreme Court ruling this year, the discussion said, held that the maximum is 56 cents, a difference of over \$340,000 a year in county tax revenue.

When the fiscal year was changed from Aug. 1-July 31 to Jan. 1-Dec. 31, the county was changed from Aug. 1-July 31 to Jan. 1-Dec. 31.

Leaders Honored, Jessee Heads Boy Scout District

Certificates of merit were presented to 18 scouts at the annual Unish Boy Scout district business meeting and recognition dinner Thursday night at Central Christian Church. Allen Jessee was elected as district chairman for the 1961-62 year. Jessee, a vice-president of the Granite City Trust and Savings Bank, succeeds Gerald Walters as chairman.

Other new officers are Dr. Stanley Maer, local optician and vice-chairman; and Walters and Clifton Blankenship, council representatives.

Those receiving certificates recognizing "over three years of outstanding and meritorious service to scouting" were: Jesse Wise, Troop and Post St. John United Church of Christ; John Winklemier, scoutmaster, Troop 19, St. Joseph's Catholic Church; Alex Kary, scoutmaster, and Andrew Timko, scoutmaster, Troop 19, St. Joseph's Catholic Church; Charles Rodell, scoutmaster, and Louis Rader, scoutmaster, Troop 19, St. Joseph's Catholic Church; Joe Blason, scoutmaster, Troop 19, Washington school; and institutional representatives: Washington PTA; Granite City PTA; William Vaughn, scoutmaster, Troop 90, Madison Methodist Church; David Parrish, scoutmaster, Troop 90, Central Christian Church.

Mrs. Elsie Rodell, women's reserve; Leonard Robbers, and Clarence Windsor, neighborhood members of the Citizens Master Sewer & Drainage committee, headed by G. W. Hochleber, are to meet with the levee district trustees at the district's East St. Louis office.

Mayor Calls Special Session For Wednesday

Award Of Contract For
Sewer Replacement
Depends On Levee Board

A special session of the Granite City Council is being called for 8 p.m. Wednesday by Mayor Davis to award a contract for replacement of the Terrace lane sewer line.

The special meeting will follow a recessed meeting of the East Side Levee & Sanitary District board set for Tuesday evening, when the city is to learn if the district will finance the levee district.

Mayor Davis told the Press-Record he is optimistic the levee district will aid the city. He said he has no question in his mind that the levee district will participate 100%, he remarked.

William Vaughn, a city attorney, said the city is to meet with the levee district trustees at the district's East St. Louis office.

PRECARIOUS POSITION for young mother and child, Mrs. Barbara Ward, 19, and her 11-month-old daughter, Deborah, sitting in a car at 21st street and Madison avenue late Friday afternoon with a 4160-volt hot wire draped over the top. She is shown talking to Patrolman Alan LeMaster. Mother and daughter were trapped in the car about 25 minutes.

Area Residents Urged To Give To Of Drive

A last-minute appeal to all residents of the Quad-City area was made today by Sidney L. Aubrey, Tri-Cities Area United Fund general campaign chairman, when he asked all those who have not been contacted to please send their contributions direct to the UF office at 1330a Nineteenth street.

"Every possible dollar that can be raised is urgently needed," said Aubrey. "It takes money to continue the programs of the 17 member agencies and in many cases they are completely dependent on the United Fund. If it be tragic for people if they are unable to get help when they need it," he declared.

A facsimile of a United Fund campaign letter to all residents of the Quad-City area was distributed today by the Press-Record and area residents are urged to clip it out and send in any donations they desire to the local office, 1330a Nineteenth street.

A projected estimate as to the final results of this year's drive was made by Aubrey, his division chairman and vice-chairman, and a 6.1% or a \$17,386 deficit was forecast. This year's goal was set at \$208,463.

Currently, 91.4% or \$272,683 has been pledged. The final date for covering and reporting the outstanding drive is next Monday, Nov. 20. At that time another tally will be taken and two days later to prepare a final report for the UF board of directors. The board, which is headed by Rev. Calvin Macredon, will then take steps to determine the allocations for 1962.

Six Cars Damaged In Crash On Madison Ave.

Robert H. Gregory, 46, of 2714 Buxton avenue, was charged with reckless driving and operating a motor vehicle without a license following an accident in which six cars were damaged at 10:35 a.m. Sunday.

Police said Gregory was driving north on Madison avenue when his car, a 1957 Buick Wildcat, struck a 1957 Buick Wildcat, which was stopped at a red light. The Buick was damaged and the driver, Carl M. Calender, 900 Greenwood avenue, Madison, was pushed into an auto owned by the Harrison Auto Sales, 1412 State street.

Police said Gregory's auto then struck another parked car belonging to William Asher, 2620 Pine street, knocking it into a sixth vehicle belonging to Rich Driscoll or Fallow.

Hot Wire Falls, Traps Young Mother And Infant In Auto

A harrowing 25 minutes was experienced Friday afternoon by Mrs. Barbara Ward, who was trapped in her auto with her 11-month-old daughter, Deborah, when a 4160-volt electric line fell across the car on 21st street at Madison avenue.

While still in the car with the hot line draped over its top, Mrs. Ward, who was on her way home, 3001 Benton street, from a visit with relatives, told a Press-Record reporter-photographer she had stopped for an electric traffic signal, preparing to turn right onto Madison avenue, when the line fell across her car about 4:20 p.m.

"I saw a flash," she said, "but I didn't know what happened."

Luckily, Granite City Patrolman Gerald Pinkerton also saw the flash. He was at 21st street and Madison avenue enroute to a weed fire at 36th and State streets.

Officer Wells, warning "I'd move over by her car and yanked at her to stay inside and not drive. Then I parked the police car and went back and reported the warning and radioed Capt. Joseph Kastelle to summon the power company."

Mrs. Ward, 19, sat immobile with her infant daughter in a baby carseat beside her. She was traveling west on 21st street and near the curb preparing for a right turn, so her car was out of the traffic lane. Busy rush hour traffic kept flowing by many persons unaware that the young mother and her infant were in danger of being electrocuted.

Authorities and an Illinois Power Co. employee were unable to determine what caused the line to snap and drop. The break occurred a few feet west of Madison avenue, about a half-block away from where the old St. Elizabeth Hospital is being razed.

After the power was cut, Mrs. Ward did not get out of the car. She waited a few moments and then drove off with her daughter.

The heavily insulated 4160-volt line was an auxiliary feeder for the hospital, and the break did not disrupt service to a power company spokesman said.

The board voted Saturday to change its meeting dates from Saturday mornings to 7 p.m. on the second and fourth Wednesdays of each month. The next meeting will be on Nov. 22.

The local association was organized seven years ago by parents of mentally retarded children, and today has a membership of approximately 45 persons. Officers of the organization are: addition to Coyle, are Mrs. Louise Baker, vice-president; Mrs. Helen DeKuntz, treasurer; and Mrs. Bob Schwallier, secretary.

Coyle said the association's meetings are open to the public and are held on the fourth Monday of each month at St. John United Church of Christ.

A. D. Brown, 2077 Skeen street, notified the sheriff's office that acid was thrown on the sidewalk of the 1957 auto, from the rear fender to the headlight, while it was parked Saturday night.

The neighborhood auto of Ed Mitchell, 2077 Skeen street, road, struck a utility pole at 1240 Kline street, Venice, at 7:10 p.m. Saturday.

A vandal apparently speeded with a push button on the left side of the parked 1961 pickup truck of Gerald Buck, 6039 Kline street, Madison, in front of his home last night.

GC Man Is Year's 23rd Auto Crash Victim

Earl Hays, 46, Dies
In Crash Near Highway;
21 Weekend Injuries

The year's death toll rose to 23 — five more than at a similar time last year — with a crash at 8:40 p.m. Saturday fatal to Earl P. Hays, 46, of 3148 13th avenue, a lifelong resident of Granite City. The accident took place on Route 16, a quarter-mile east of Hardin, Ill.

In addition to the death, weekend collisions in the Quad-City area also caused 21 injuries. A total of 23 mishaps were recorded.

Saturday night marked the first fatality in 67 days.

State police said Mr. Hays' auto was traveling west on the highway and apparently drove into a barrier at a point where construction work has been in progress. The vehicle struck the rear of a large car parked on the roadway and Mr. Hays suffered chest injuries. He was pronounced dead at a nearby funeral home prior to transfer to a Granite City funeral home. An inquest will be held in Greene county.

Headed For Clubhouse

Alone in the car, Mr. Hays had gone to his clubhouse on the Illinois River earlier in the day, the Press-Record learned from his family. He is believed to have been in the clubhouse when the crash occurred.

Survivors are his wife, Mrs. Laura Hays; a daughter, Miss Paula Hays; two sons, Robert and Albert; and his brother, Lynn Hays, Collinsville; three sisters, Miss June Hays, Mrs. Lydia Anderson and Mrs. Lillian Sanson, all of Granite City; his mother, Mrs. Lillian Hays, Granite City; and 11 grandchildren.

Funeral arrangements are given in the obituary column.

Three Trucks Collide

Two marked trucks, one stalled and the other there to help, were struck by a third truck at 6 p.m. Saturday on Highway 10.

City's General Expenditures Average \$95,500 Each Month

The city's financial report for the first half of the 1961-62 fiscal year, ended Oct. 31, shows general fund disbursements of \$573,278 and a balance of \$397,022. The report was prepared by Comptroller John Doher and Treasurer Frank Sappington.

General fund expenditures have averaged \$95,500 a month during the first six months; while the balance of \$397,022 plus an anticipated final tax settlement of \$30,000 to \$35,000 indicates about \$71,000 a month will be available for each of the remaining six months.

The city's financial cushion, a special fund for taxes, is \$117,486, and the budget was based on transfers from it of over \$100,000 to the general fund. The Oct. 31 balance in the sales tax fund was \$509. The special working cash fund, a balance of \$220,728 at the start of the fiscal year also has been cut and now amounts to \$82,283. Sewer repair bills were paid from both funds.

A breakdown of general fund accounts, showing disbursements and Oct. 31 balances or deficits in that order, follows:

Fire department, \$115,578 and \$82,335; water, \$60,24 and \$26,044; deficit: street department, \$117,486 (including a \$5000 transfer to the city planning fund), \$115,704; street lighting, \$7542 and a \$350 deficit; pumping station, \$2339 and \$4538; general government, \$47,946 and \$14,088; city hall, \$10,317 and \$18,772; police department, \$117,302 and \$46,949; inspection, \$8128 and \$2638; election, \$22

Double-Ring Ceremony For Dawdy-Champion Nuptials

Bouquets of white autumn flowers, general arrangements and fern decorated Good Shepherd Evangelical United Brethren Church, National avenue at Sanbury, for the wedding Saturday afternoon of Miss Margaret Ann Champion, a daughter of Mr. and Mrs. Howard Champion, 2708 Edwards street, and Richard Allen Dawdy Jr., whose parents are Mr. and Mrs. Richard A. Dawdy Jr., 3008 Edgewood avenue.

The double-ring ceremony was performed at 4 o'clock by Rev. B. L. Bryan, pastor.

Mr. Champion gave his daughter in marriage. Her floor-length gown was designed with a snug bodice, a scalloped neckline edged with intricate sequins and pearls and long wrist-pointed sleeves. The bouffant skirt was made with lace extending midway and accented with cabbage roses meeting bottom tiers of net over built-in crinolines and hoops. A queen's tiara of sequins and pearls secured the bride's veil to her hair. Of silk illusion and tiered, it was edged with Chantilly lace. The cascade bridal bouquet was made up of white carnations centered with an orchid.

Mrs. Sandi Peterson, matron of honor, wore a blossom pink chiffon and satin dress. Ballet-length, it had a fitted bodice, a scoop neckline and cap sleeves. This was set off with a deeper pink cummerbund with a bow in the back, a small hat of azalea pink and a shoulder length veil. Her flowers were pink carnations arranged in a cascade.

Two candelabras, Deborah and Pamela Dawdy, sisters of the bridegroom, wore dresses of velvet with cummerbunds

and matching headbands. The former was in peacock blue and the latter in magenta rose. Chris Champion, a brother of the bride, carried the rings on a white silk pillow.

Floyd Peterson was best man for Mr. Dawdy, and Terry Champion, a brother of the bride, Jim Jones and Pete Boyer served as ushers.

Mrs. Champion was attired in a beige sheath dress with accessories of brown. Mrs. Dawdy wore a blue sheath dress with a velvet trim and matching accessories. Both wore cymbidium orchids sprayed to match their dresses.

Mrs. Frances Baiding presided at the organ and accompanied the vocalist, Mrs. Dorothea Jones, an aunt of the bridegroom, as she sang "O Promise Me," "I Love You Truly" and the Lord's Prayer.

The reception was held at the church directly after the ceremony. Those assisting were Misses Sherri, Sheila and Shelly Jones, Sandy Mathews, cousins of the bridegroom, Janet Reader, Carolyn and Diane Harvel and aunts of the bride and groom. Misses Kathleen Schennoffer and Laura Turner, two other cousins of the bridegroom, were in charge of the guest book.

The newlyweds will reside at 3356 Grand avenue. The former Miss Champion was graduated last spring from Madison high school. She is employed at a St. Louis bank. A 1960 graduate of the Granite City high school, Mr. Dawdy is employed by the Granite City Trust & Savings bank while attending night classes at the East St. Louis Residence Center of Southern Illinois University.

Home Builders Class Meeting

A Thanksgiving lesson was given by Mrs. Golda Chilcutt Friday evening for the Home Builders Class of Trinity Methodist Church meeting in the home of Mrs. Helen Holder, 3290 Carlson avenue.

Mrs. Edith McCallister presided, following prayers by several members for the success of revival services to be held at the church Nov. 19-20.

Nineteen members responded to roll call and plans were made for the annual Christmas party on Dec. 14 at the Grand cafe.

A social time was held and Mrs. Hattie Briggs, one of the members who is leaving the city, was presented with a white Bible. Refreshments were served.

Jr. Bay View Club Meets

The Junior Bay View Reading Club met Friday evening in the home of an out-of-town member, Mrs. Clinton Edinger, Twin Lakes, Collinsville.

A review of Gladys Hasty Carroll's "Come With Me Home" was given by Mrs. Gene Sternberg and current events by Mrs. David H. Thomas, who discussed the new electronic computer for Christmas shopping.

Mrs. Ernest Karandjoff presided and plans were made for the annual Christmas party at the home of Mrs. William Lierman, 2496 Waterman avenue.

The group voted to contribute to the fund for Christmas gifts for veterans at the Alton State Hospital and to prepare part of the dinner to be served at the annual VFW Auxiliary Christmas party Dec. 13.

Plans were also made for a bake sale at the A&P Store Saturday and for the annual Auxiliary Christmas party for members Dec. 13.

A buffet luncheon was served honoring the past presidents and commanders by the hostesses, Mrs. Schaefer, Mrs. Doris Lloyd and Mrs. Ilene Steele.

MRS. ROBERT WILSON, the former Leah Hamill of St. Louis, who was married recently at St. Mary Magdalene Catholic Church. She is a daughter of Patrick Hamill of St. Louis and Mrs. Marie Stevens of Van Buren, Mo. Mr. Wilson, son of Mrs. and Mrs. Emilie Wilson, 2605 East 25th street, Granite City.

Dinner Honors Nameoki Grade School Teachers

Faculty members of Nameoki grade school were guests of the Parent-Teacher Association at an annual appreciation luncheon Thursday in the cafeteria of the school.

Earl Lee, past principal of the school, gave the devotional and Don Kopp, remedial reading teacher of the school and the current PTA president, acted as master-of-ceremonies.

Supt. Harold M. Kaiser spoke briefly to the group and John McBride of the Union Star and Refining Co., another guest, spoke of and on "Our Freedoms," presenting slides of different places of interest in the United States that he has visited.

A musical interlude was provided by four students, singing to the accompaniment of Mrs. Rose Young at the piano. The students were Debby Knapp, Linda Hatcher, Janet Young and Janet Schwartz.

Mrs. Twyla McKinney, chairman of the room mothers, was in charge of the luncheon and decorated the table in a fall theme, with an arrangement made of different colored leaves and a cornucopia. Smaller cornucopias were given as favors.

DAWDY-CHAMPION REHEARSAL SUPPER

Mr. and Mrs. Richard Dawdy, 3008 Edgewood avenue, entertained the members of the wedding party of their son, Richard A. Dawdy Jr., and Miss Margaret Champion Friday evening at a buffet supper following the rehearsal at the Good Shepherd Evangelical United Brethren Church where the ceremony took place Saturday evening.

Twenty were present, including the additional guests, Miss Deno Achenbach, Miss Carol Fox, Miss Janet Reader and Larry Hall.

Room mothers "manned" the school rooms for the teachers during the turkey luncheon.

Miss Patricia Sue Mott and William F. Hoppe Are Wed

Miss Patricia Sue Mott, daughter of Mr. and Mrs. W. R. Mott, 4435 Highway 162, became the bride of William F. Hoppe, son of Mr. and Mrs. Frank Hoppe, 2807 Edwardsville road, Saturday evening at Bethel Community Church of Christ on Rural Route One.

Rev. Robert Widish officiated at the 7:30 service and a reception followed at the Carpenter's Hall, 23rd street and Washington

avenue. The ceremony took place by candlelight. A program of wedding music was furnished by Mrs. James Shillito, soloist, accompanied at the organ by Mrs. William Ellsworth. The songs were "All ways," "Because" and the Lord's Prayer.

The bride wore a gown of Chantilly lace and nylon tulle. It was styled with a lace bodice, a scoop neckline trimmed with seed pearls and iridescent sequins, long tapering sleeves and a bouffant skirt caught at the center back with a lace rose. Tiers of lace, ruffles and tulle swept into a court train. A veil of silk illusion was held in place with a crown of pearls and sequins which formed small hearts. White carnations and stephanotis made up the cascade bridal bouquet.

The mother of the bride, Mrs. Jerry Mott, a sister-in-law of the bride, wore shrimp colored lace and nylon. Bridesmaids, it was made with a tight bodice, a bouffant skirt and a satin cummerbund with a large bow in the front. A matching white-voiled was attached to a pearl-studded nylon band and she carried a nosegay of carnations in a shade to match the gown.

Two bridesmaids, Miss Ann Hall and Miss Darlene Shadelord, were in peacock blue, the gowns patterned after that of the bride. The bridesmaid, Sharon Bittick and Jerry Lee Mott, cousin and nephew of the bride, served as flower girl and ring bearer. The former was in a white nylon frock with a pink sash and a pink velvet headpiece. She carried a basket of rose petals.

The bride's mother selected a midnight blue street length dress and winter white and blue accessories, while the bridegroom's mother wore a beige dress and beige accessories. Both wore pink carnation corsages.

Jerry Mott, the bride's brother, was best man, and groomsmen and ushers included John King, Larry Travis, Bobby Mull and Larry Bittick, the bride's cousin.

After a short wedding trip, the newlyweds will live at 2815 Edwardsville road.

The bride was graduated from the Granite City high school in 1951 and is employed at a St. Louis bank. Also a graduate of Granite high, Mrs. Hoppe is employed by a St. Louis electric firm.

The church was decorated with bouquets of white carnations and gladioli and the candlelighters were Miss Jean Ann Deloys and LeRoy Madison. Miss Doris Phipps presided over the guest book.

PARTY FOR COLLEENS CLUB

Mrs. Marty Slattery was hostess to the Colleens Club at a party in her home, 2649 Adams street, Thursday evening.

Prizes were won by Mrs. Jerry Reher, Mrs. Catherine DeWitt and Miss Belle Slattery and plans were made for the next meeting, a Christmas party, to be held Dec. 14, in the home of Miss Slattery, 2511 Iowa street.

MRS. WILLIAM F. HOPPE, the former Patricia Sue Mott, daughter of Mr. and Mrs. W. R. Mott, Highway 162, who was married Saturday evening at Bethel Community Church near Stallings.

MISS FRANCES KUBELKA, whose engagement and forthcoming marriage to John D. Ballhorn Jr., is announced by her parents, Mr. and Mrs. Frank Kubelka, 3305 Wilshire drive.

Engagement Kubelka-Ballhorn

Mr. and Mrs. Frank Kubelka, 3305 Wilshire drive, are announcing the engagement of their daughter, Miss Mary Frances Kubelka, to John Daniel Ballhorn Jr., 209 Granville street, Venice, whose parents, Mr. and Mrs. John D. Ballhorn sr., reside at 2825 Wayne avenue, Granite City.

Plans are being made for a Dec. wedding at St. Elizabeth Catholic Church.

'Algeria' Topic Of Bay View Club

A paper on "Algeria," one of the trouble spots of the world, was the program given by Mrs. W. R. Huff at a meeting of the Bay View Reading Club in the home of Mrs. J. C. Byers, 2263 Edison avenue, Thursday.

Mrs. A. F. Bunte, president of the recent state meeting of the Illinois Federation of Women's Clubs in Centralia.

A dessert luncheon was served before the meeting to 14 members and announcement was made of the Christmas party to be held Dec. 14, in the home of Mrs. A. E. Krummick on State street.

Rushes Give Sorority Party

Members of Eta Chapter of the Phi Omicron sorority were entertained Thursday evening at a party given by four rushes, Mrs. Jimmie Hillmer, Mrs. Valeta Bauden, Mrs. Frances Crane and Miss Delores Crane at the Hillmer home, 2680 Cleveland blvd.

Autumn appointments were used and the evening was spent at games with prizes going to Mrs. Ruby Logan, Mrs. Millie Greathouse, Mrs. Dolores Siebert, Miss Martha Ruth Thomas, Miss Hilda Schroeder and Mrs. Ethel Zimmer.

Others present were Mesdames Laveada Knobe, Gina Thomas, Peggy Burch, Ann Tatum, Cam Roberts, Jacqueline Brown, Charlene Voss, Mary Ann Gaughan, Laura Boyd and Misses Katherine Weddell, Eunice Hartscher, Maey Hassler and Dolores Sheridan. Refreshments were served by the hostesses.

MRS. HELEN BERNIAIX IS CLUB HOSTESS

Mrs. Helen Berniaix, 2565 East 27th street, entertained the Octagon Bridge Club Thursday evening and included an additional guest, Mrs. Fred Meng.

Honors went to Mrs. George Schnyder, Mrs. Meng and Mrs. Owen Davis.

The next meeting will be held Monday, Nov. 20, in the home of Mrs. Joseph Coleman, 2421 Grand avenue, due to the Thanksgiving holiday.

1000 Tour Coolidge Junior High School At Open House

Over 1000 attended the open house held at Coolidge Junior High school Thursday evening during National Education Week, viewing various displays and the school.

One of the most unusual displays seen was a model fallout shelter made by Linda Koser, Judy Friedman and Sandy Carlisle. It held miniature doll furniture and small supplies. The shelter, made of cardboard, was set up on a table. As parents stopped to look, the girls gave them civil defense literature on fallout shelters which was provided by the local CD office.

At 7:30, the school band, under the direction of Robert D. Todoroff, gave a concert in the music room.

Each visitor to the open house was given a pamphlet telling of the next PTA meeting Nov. 27 at 7:30, when Mrs. Helen Pettigrew, dean of girls, and Keith Parker, boys' counselor, will hold a panel discussion on "Guidance and Counseling." A film will be presented on "Your Child's Intelligence."

After the open house tour, the

facility was invited to an appreciation coffee hour in the all-purpose room by the PTA executive board with nearly all of the 59 teachers at the school attending. Refreshments were served by the board and soft music added to the occasion.

An unusual turkey centerpiece graced the serving table. The turkey was a large pumpkin dressed in pheasant and quail feathers and nestled in a bed of bed of autumn leaves. It was flanked by two smaller turkeys, made of potatoes, pheasant feathers and down. Mrs. Elva Mae Spiceland and Mrs. June Aerne prepared the display.

Members of the executive board hosting the social hour were Mrs. Valerie Evenden, PTA president, and Mrs. Mary Jessen, Mr. and Mrs. Lewis E. Sabin, Mr. and Mrs. David Whitwell, Mr. and Mrs. Richard Polley, Charles Jungels, Mrs. Vi Reiske, Mrs. Eileen Heinke, Mrs. Elsie Rodell, Mrs. Hildred Lewis, Mrs. Lois Haynes, Mrs. Olivia Kunemann, Ted Todoroff, and Ralph Frohardt, principal, and David Cattle, assistant principal.

Maroons Capitalize On GC Fumbles For 21-7 Win

Warrior Bobbles Set Up 2 Belleville Scores; End Season With 4-1 Mark

Unable to recover after two fumbles inside their own 25-yard line had set up golden scoring opportunities for the opposition in the first half, Granite City's football Warriors dropped a 21-7 decision in Belleville Friday night to a Maroon team which nevertheless played things a little too loose and easy to suit Coach Bob Frole.

The bobbled ball, a disease which has plagued the Warriors all year was the means to an end for Belleville, which turned two recovered Warrior fumbles into touchdowns and a 14-0 halftime lead.

Granite City got back into contention late in the third period, with substitute Quarterback Larry Noblin directing with a 75-yard sustained drive which resulted in the victory by completing the first seven passes he threw, including one short toss for a touchdown.

Belleville's first TD was set up when Guard Jay Widman fell on Vic Buehler's fumble at the Granite City 10 late in the first period. Les Lund and Bob McKelvey punched the ball to the three, from where Ken Randle and went the remaining distance.

Midway through the second period Lund covered Doug Little's bobbles at the GC 25 and Adams, who by this time had earned up his throwing arm, found End Jerry Jowett at the goal line with a short pick good for three yards and a 13-0 advantage. Guest again converted.

Defensive Halfback Dave Spauld interrupted a number of Belleville drive when he picked off an Adams-for-Jowett pass on the 12 near the end of the first half.

Second Interception The Maroons mounted another drive after an interception, but this time an Adams toss went astray into the arms of Linebacker Charlie Haug at the GC 25, from where Hoover went in the end zone on a drive over the right guard.

Spauld flipped a soft pass to Bill Boyd, who was all alone in the right corner of the Maroon 30 and the Warriors were temporarily back in business.

80-Yard TD Drive Beginning on their own 20 after Bret Bjorkman's kickoff had sailed into the end zone, the Maroons punched 80 yards on the ground for the game's final score, with Rich Ballard and McKelvey eating out good yardage.

Scoring: GC touchdowns — Ken Randle (4-yard run), Jerry Jowett (8-yard pass from John Adams), Bob Englebreton (2-yard pickup); PAT—Charles (3 kicks).

Belleville touchdowns — Ken Randle (4-yard run), Jerry Jowett (8-yard pass from John Adams), Bob Englebreton (2-yard pickup); PAT—Charles (3 kicks).

YMCA To Organize Boys' Basketball Leagues On Nov. 18

An organizational meeting for the purpose of forming teams in the three age divisions of the YMCA boys' basketball program will be held at the "Y" Saturday, Nov. 18, beginning at 10 a.m.

The program is open to all boys of the age group, and those who are YMCA members, and also to non-members upon payment of an entry fee. Jim Feinshel, who will be in charge of the program, said each boy who applies will be placed on a team.

The league play will be held each Saturday morning, beginning Nov. 25, in divisions for grades 4 through five, six through seven and eight through nine. The season will include a three tournament, Christmas holiday tournament, playoffs and a trophy award banquet near the end of February.

Teams may be composed of from five to 10 players, with players who sign up in a group of five or more receiving a discounted entry fee rate.

RAMBLING RANDLE. Belleville Halfback Ken Randle (33) picked up good yardage on this combination screen pass and run Friday night as the Maroons defeated Granite City in a Southwestern conference game at Belleville, 21-7. GCMS defensive End Ron Yates (91) recovered from a block thrown by Buzz Imboden, (71) to stop Randle after a 17-yard gain.

Griggs' 886 Yards Lead Madison 8-Game Offense That Netted 2244

Ken Griggs, a sho-in for a repeat berth on the Midwestern Conference's all-star team, led Madison's conference champions in individual offensive punch this year as he completed a net 886 yards — 786 rushing and 100 by passing.

The area's leading workhorse, Griggs led the ball 145 times in Madison's eight games. He attempted six passes and completed four while having one stray into opponents' hands.

His rushing average of 5.3 yards-per-carry is second to teammate Ed Petty, who picked up 615 yards in 104 attempts for a 5.9 average. Petty, who amassed 99 points during the season, also completed one pass for 33 yards and was Quarterback Mick Graville's favorite receiver.

Fullback Terry Andrews was third in the number of rushing attempts with 75. The only backfield starter who will return to Coach Glen "Pick" Pickering next season, Andrews netted 310 yards for a 4.1 average. This was topped by Walt Cooper, who registered an even five yards-per-carry average.

Cooper, who played more defense than offense, picked up 206 yards in 41 tries. His biggest offensive performance was in the last game against Gillespie when he netted 112 yards in 12 carries and scored his only touchdown of the season.

Graville, who directed the wing attack all year for Pickering and Assistant Coach Joe Asperger, finished the campaign with a net of negative 18 yards rushing. However, he did not elect to carry the ball full time in the schedule and therefore his running gains could not offset the yards he lost "retiring" the ball when he could not find an open receiver on a pass pattern.

Sophomore Gary Skinner, a candidate as Graville's successor, carried the ball twice. In the last game, he gained 14 yards on a running play but was thrown for a six-yard loss on the next play while attempting to pass. He completed the only aerial he threw, to Lester White for a 31-yard gain.

In the passing department, Graville completed eight out of 26 for 187 yards. He had four passes intercepted. Against Gillespie, Graville found Petty in the open and hit him with two touchdowns.

Petty's Five Touchdowns, Stawar's Line Play Against Gillespie Praised

Four different players scored a fifth threw two touchdowns passes — and the defense held the opposition scoreless as Madison's offense ran roughshod over Gillespie's Miners Wednesday night, 60-0. And Trojan Coach Glen "Pick" Pickering took an additional 24 hours to name his top lineman and back of the week.

Pickering, who usually announces his selections the morning after the game, did not offer a pair for individual heroes till Friday morning, when he picked Halfback Ed Petty and Guard Norman Stawar as his two outstanding performers.

All-State Candidates These two boys form two-thirds of Madison's all-state candidate trio, the third player being Petty's running-mate at the halfback slot, Ken Griggs, who gained 334 yards from scrimmage against Gillespie and scored 16 points.

Petty, who gained a net 70 yards from scrimmage, topped Dunbar Rallies For 38-22 Win Friday

A full-court press employed in the second half enabled Dunbar grade school's basketball team to rally from a 14-18 halftime deficit and defeat Cahokia 38-22 in Cahokia Friday night.

It was the first game of the season for both schools. Dunbar also won the "B" contest, 23-18, after leading 14-11 at halftime.

Theodore Porter led Dunbar scorers with 14 points in the second half. As Dunbar's pressing and ball-stealing tactics enabled Charles McKaskle's team to score the last squad 2-14 in the final two periods.

Dunbar will continue the season tomorrow night with two games at Mascoutah, beginning at 6:30 p.m.

Course Here Tomorrow For Prospective Election Judges

A training course for prospective election judges will be conducted by the office of County Clerk Miss Eulalia Hotz tomorrow at the local YMCA, with separate sessions to be held at 2 and 7 p.m.

Purpose of the course is to familiarize persons who may serve as judges at the polls in forthcoming elections with the procedures of their posts. The pre-election school is being carried out in compliance with a recently enacted state law.

The training course sessions here will be identical. Two are being held for the convenience of residents. Others are scheduled this week in Edwardsville, Highland and Alton.

McGee To Host Ten-County Tax Meeting

Dan W. McGee, of Venese, Madison county, will host a ten-county assessment meeting at the McGee home at 2110 Fourteenth street, Thursday, Nov. 28.

An estimated 150 to 200 tax officials are expected to attend the session, which is being conducted by the state department. The meeting is set for the board of supervisors room at the county courthouse.

Representing the revenue department at the meeting will be George Theodore J. Leary, assistant director; William E. Imle, assistant director; Edward Leary, legal counsel; Eugene Sershorff, assistant property tax supervisor; Eugene Maynard, property tax supervisor; and A. N. Nelson, property tax division consultant.

Subjects of discussion at the meeting are to include: assessment problems, rural valuations, real and personal property assessments, administration and new legislation concerning assessment administration.

The revenue department is required by statute to conduct instruction seminars for local assessment officers.

33rd Jail Term Waived, Pled on Probation

Robert Davis, 21, of 302 Allen street, Madison, pleaded guilty before Justice of the Peace Harry E. Hartman on Thursday to a charge of assault with a deadly weapon — a pistol, fired Oct. 7 by Chester Lincoln. He was sentenced to 33 days in the county jail and fined \$25.

Hartman gave Davis credit for the 33 days he had already served since he was unable to make bond, waived his fine and released him on six-month probation. He was released upon payment of \$140 court costs.

7-Needina Charges

Seven rural arrests were made in Granite City on Thursday. Charged with exceeding the speed limit were: Richard Phelps, 36, Rural Route One; Henry Bedman, 35, East St. Louis; Samuel Warner, 31, of 2204 Woodlawn avenue; George A. Shay, 52, Alton; Frederick Reed, 26, of 2929 Wayne avenue; George McFarland, 41, St. Louis; and John Crnkovich, 22, of 1821 Madison avenue.

McFarland posted an automobile club card as bond and all other posted their driver's licenses.

Five First Degree K. of C. Initiates

Five new first degree initiates were received Thursday night by Knights of Columbus Council 1088 during a third degree meeting at the K. of C. home here.

They were Orlando Valencia, Donald Brumlee, Herbert Reisinger, Everett Deitz and Ples Patton.

The council will conduct an annual children's initiation on Nov. 19 at 1:30 p.m.

Dec. 19 was the date established for the Madison county Christmas party, to be held at the council home, James Wortham, 2110 Fourth street.

A four-team Sunday evening bowling league was organized Thursday night.

The council will also enter bowling squads in the Madison county C. of C. tournament to be held in Bethalto on the last two weekends in February.

Improvement Projects Head GC Building Permits

Home improvement projects dominated applications for building permits in Granite City for the first nine days of November according to City Building Inspector Earl Bloomquist. In all, there were 17 permits granted with a combined valuation of \$33,350.

Largest permit issued by Bloomquist was for a commercial application made—\$18,000 for adding one story to the present M. H. Wolfe & Co. office at 2201 Adams street. The new addition will be of wood framing with metal or wood siding and tile floors.

Of the 11 home improvement permits, a \$5500 project by Roy Mullin, 2826 Lincoln street, for a two-room addition was the largest. Other home improvement projects included permits for \$1500 to F. J. Reams, 1937 Grand avenue, to install a sub-basement; \$1500 to Charles Meyer, 2241 Edison avenue, to replace and repair; \$1300 to William, 2241 Edison avenue, to install aluminum siding; \$1300 to Forest Stanton, 2947 Lincoln street, to install aluminum siding; \$1200 to Huysa Paul, 2123 Illinois avenue, for general repairs; \$850 to Daniel Boone, 2731 Marshall avenue, for a new garage addition; \$600 to W. Wehowski, 2803 Sunset drive, to install a basement ceiling; \$500 to Ray Shelton, 2331 Palmer avenue, to rebuild porch; \$300 to West Lomax, 3648 Terrace lane, to add a play room by enclosing a carport; \$250 to Daniel Boone, 2731 Marshall avenue, for general repairs.

This fall's first cold prompted Granite City residents to give thought to the colder months ahead and how their household work can be in addition to the regular inquiries on employment and unemployment which are asked each month in the current population survey.

Census Bureau activities in this area are supervised by Theodore F. Olson, regional field director, Chicago. The survey is conducted in 333 sample areas of the country.

Census Bureau Plans Household Survey Here

A survey of private household workers will be conducted here by the U.S. Census Bureau next week in connection with the November current population survey.

The survey, conducted by the Census Bureau for the U.S. Department of Commerce, Labor and Welfare, will cover both employers and employees. Questions will be asked concerning kind of work done, days worked, wages and related items.

Life questions on private household work are in addition to the regular inquiries on employment and unemployment which are asked each month in the current population survey.

Granite City On Valid Ground In Asking Levee District Sewer Aid

The city of Granite City is on valid ground in asking \$100,000 from the East Side Levee and Sanitary District to replace broken sanitary sewers in Nameoki.

Originally installed just a few years ago by the Levee District, this should fix responsibility for these premature repairs on the district; also, Granite City taxpayers annually pay into the Levee District over five times the \$100,000 sewer repair cost.

The Levee Board will meet again on this matter Tuesday night and quick action should be forthcoming, since every day that goes by is costing Granite City \$400 for makeshift pumping of sewage around the breaks. Fortunately, there is no reason to delay; the engineering plans are ready now and bids are on file.

As evidence of its own good faith, the city has offered to deduct this sewer repair cost from the estimated \$2,100,000 of the Levee Board's earlier this year indicated would be available for a multi-million dollar drainage-pollution project here.

It is interesting to note that Granite City, in only four years, turn over to the Levee District an amount equal to this \$2,100,000. The drainage-pollution project will provide some measure of benefits in return for the tax money contributed, with little or no return, for so many years.

It's a good rule, when driving an automobile, not to take every green light for granted.

Time Is Short If Best Use Is

To Be Made Of Old Postoffice Site

With construction of the new Granite City postoffice scheduled to begin in two weeks at 24th and Madison avenues, it is not too early to develop a plan for the old building and site in the downtown district.

There must be postal facilities to serve the business district, but this could be accomplished in less space — and more economically — than in the present, half-century old structure.

The triangular-shaped block occupied by the old postoffice has exceptional beautification possibilities. These should be explored, and there is precious little time to waste.

REEFS DRAINAGE

HIGHWAY AT MITCHELL

To the Editor:

I know that newspapers are always looking for news, and I think that an editorial would be in order.

I like a good number of other people living on the State highway who have been having trouble with water flooding our property because the water over the highway doesn't have any other place to drain. I feel it's about time that we get something done besides getting our taxes raised, and that's all we have gotten from our present government.

I don't know if Kerners really has a highway dept. His chief engineer sent two men to see me one said the state had no money to do anything on the highways which is very true as we all know. The other was going to measure down the highway 250 feet and he took a six foot ten-cent store cloth tape out of his pocket. I finally loaned him my 100-ft. tape. What he measured, I can't figure. He comes out with a camera and started to take pictures. When I asked him why, he said, oh, just to see how it looked. I said, taxpayers like me, I am a voter and I voted for Kerners and helped to get him elected and felt that he was the man for the job but I guess he has made a liar out of me. I also have letters to him and the Dept. of Public Works.

WRAPS GARBAGE: CONTAINER STILL IS DAMAGED

To the Editor:

In reference to the article by City Inspector Jack Fritzer in the Nov. 6 issue of the Press-Record, I have a few comments to make.

Through the years I have purchased many garbage receptacles only to have them completely demolished in a short time by the collectors. About one year ago I started using a new receptacle and decided to wrap all the garbage in that year nothing was put in the receptacle that was not wrapped and I would like to invite Mr. Fritzer to inspect it. It is so mutilated the top will not even fit on.

In my opinion, if people have garbage, they should be shown some consideration in the handling of the containers.

Urban Renewal Affords Opportunity For Cooperative Action By Agencies

If a sound and needed project can be found, the urban renewal program that is under discussion can afford an excellent opportunity for Granite City governmental agencies to work cooperatively for community betterment. Six public bodies were represented at a preliminary planning meeting last week, and the number participating in various ways conceivably could be even larger than this.

There has been "pork barrel" criticism of the federal program and it is true that some of the people approval have wandered far afield from the original neighborhood renewal concept. But the program is a reality, and Quad-Cityans are paying part of the cost through their income taxes whether they share in the benefits or not.

Though no firm local decisions have been made, it is our guess that present community inadequacies and past local governmental spending are sufficient to qualify for some of the urban renewal funds. If this so, the projects should be set out and priorities determined.

Numerous California Immigrants Should Not Overlook Midwest

"Go west, young man" was first reported in 1851, and anyone who followed this advice that California will become the most populous of the 50 states within the next 20 months, estimates show. But we are not so sure westward movement is the wisest course; if we could talk to the 1,500 new citizens being added each day by California, we would tell them of the charm and attractiveness of the Midwest, particularly the Illinois Metropolitan Area and especially in the season.

The golden west has been described in such glowing terms for so long that the portrait must have grown bigger than life-size. What of the Pacific tides and sharks and winds and that line in the song, "(1) Leave California — it's cold and it's damp"; Hollywood and Vine and the "Top of the Mark" make fine tourist attractions, but living in California permanently would not be our cup of tea.

The vivid colors of autumn and the new sharpness in the air prompt us to wax eloquent on one of the most favorable aspects of this part of the country — the sharp contrast in seasons. Variety in weather is hard to beat, and it is more of keeping people stimulated and invigorated, after all it is the most desirable way to live. When it comes to going west, the Midwest is far enough west for us.

Death Penalty Proposed Verdict For Two Killers

Capital punishment does not have universal public approval, but if it ever was justified it is in the case of the two killers who left a cross-country trail of seven deaths, including two in this locality.

They have been sentenced by a Kansas jury to death by hanging.

News accounts and recorded interviews with the AWOL soldiers revealed the merciless, senseless savagery of the pair and their total lack of remorse afterward.

Though the deterrent effect of the maximum penalty is questioned by some authorities, a sad but necessary task has been handled by the state of Kansas, eliminating the need for further action by this county.

state parks up to desirable amount. He suggested that this amount could be raised by a 3 cent gas tax, a 1 cent cigarette tax, or a \$2 auto license fee. Now as a revenue yardstick, our state will be drained of better than \$150,000,000 in the next 15 years if neighboring states are allowed to continue their revenue siphoning through non-resident taxation which, incidentally, is used to finance their own state park needs and other state services.

How much longer will Illinois taxpayers toll as an over-worked tax horse?

THE PASTOR SPEAKS

REV. ROSS CARLTON

Central First Methodist Church

Take time... you have 24 hours each day, what do you do with it? Most of us don't seem to have enough time to go down what we would like to see accomplished, while others seem to have "time on their hands" to waste.

In an army camp a busy general gave orders that when a white handkerchief was on the ground outside his tent, that he was not to be disturbed under any circumstances. And he was not. Why? That hour was taken for a private conference with his great Commander, Jesus Christ.

This general had learned like all soldiers of the Cross that he must take time to be holy. All of us who profess the name of Jesus need to learn this lesson. It is in the quiet time that we get our marching orders for the day, the strength to do

and the Spirit to do it in. It may not be easy for you to find the time, not because He is too busy, but because you are too busy. You will have to steal it away from something else.

Take time for:

(1) God's Word, nothing can take its place.

About a century ago a long-legged boy lay in front of a fire place night after night reading. It wasn't a comic book, a racy novel or sports magazine, but the Bible. It helped him in later life. It will help you.

(2) Prayer, communion with God. There are many things that you need to take away from Him... about yourself... your life... your relations with others... your love to Him... and move all your sin.

(3) Living... So many are so busy making a living, that they have forgotten how to live. The Christ-like life is the most joyous and satisfying... Try it.

JOINT OWNERSHIP OF REAL ESTATE PROPERTY IN ILLINOIS.

In Illinois, real estate owned together by two or more persons is usually held in "joint tenancy" or in a "tenancy in common." Each method of ownership has its own characteristics and rules, and it is well for all of us who may own property with others to be familiar with some of the general principles applied to them.

Joint Tenancy. Assume that John Carey and his wife, Cecelia, are going to purchase a house and lot. If the deed is made to them as "joint tenants," this means that if John dies, the house and lot will go to Cecelia.

If, for example, John dies first, Cecelia owns the whole property. John's children, or other natural objects of his bounty and his creditors, will no longer have any say in its disposition. Cecelia will be free to dispose of the house and lot, and if she does not, at her death her heirs or other beneficiaries will become the owners.

Tenancy in Common. If the deed to John and Cecelia states that they are to be joint tenants, then they become "tenants in common." For it requires an explicit provision to create a joint tenancy. Like joint tenants, tenants in common own the property together, but each tenant has an independent interest which he can dispose of as he sees fit. Cecelia may own only one-half of the house and lot after John's death.

During the existence of a joint tenancy or tenancy in common, each tenant owns an undivided share of the whole estate, and has the right to the possession and enjoyment of the whole property to the extent of his interest, including any rents and profits derived from the property.

Termination of Joint Tenancy. A joint tenancy may be terminated by the mutual consent of the parties, or by one of the tenants conveying or mortgaging his interest in the property. A levy and sale pursuant to a judgment against one co-tenant will also terminate the tenancy.

Termination of Tenancy in Common. A tenancy in common is automatically created. A later conveyance of the tenant who destroyed the joint tenancy does not reestablish the joint tenancy relationship.

Considerations. The advisability of taking property in joint tenancy or tenancy in common cannot be answered in generalities. Each case depends on individual circumstances, considered in connection with many technical factors. Tax consequences of joint tenancy have become particularly important these days. It is wise to obtain competent legal advice before property is purchased jointly with others.

Miss Julia Eller Dies At St. Louis Hospital

Miss Julia Eller, 3500 Miami street, St. Louis, a former Granite City resident for many years, died at 10:30 p.m. Thursday at St. Louis Desloge Hospital, St. Louis, at the age of 83.

Miss Eller has had been hospitalized since Oct. 24, when she suffered a hip fracture in a fall. She was a Quad-City resident for many years before moving to St. Louis 18 years ago, and operated a dry goods store at the corner of 23rd and State streets until her retirement in the late 1880s.

Miss Eller was born in St. Louis, but moved to Madison with her parents at an early age. Her father was operator of a Madison grocery store.

Survivors are two sisters, Mrs. Ann Dalton of Webster Groves, Mo., and Mrs. Frances Dahms of Berkeley, Calif.; and a number of nieces and nephews. An only sister, Mrs. Gertrude Delaney of Granite City, preceded her in death last May 1.

Funeral services were conducted at 9 a.m. today at St. Joseph's Catholic Church, with burial in Calvary Cemetery. An obituary is given elsewhere in this issue.

Rites Held In Missouri For William A. Powell

Funeral services were conducted Saturday afternoon at Eminence, Mo., for William A. Powell, 81, grandfather of Mrs. Gilbert (Ernestine) Lee and Mrs. Kathleen (Churche) Lee, both of Granite City, buried was in Eminence City Cemetery.

Mr. Powell passed away Thursday at his home following a two-year illness. Other survivors include his wife, Edith and two sons, three daughters and a number of grandchildren and great-grandchildren.

Concluding Education Week School Events

Events relating to American Education Week are nearing a conclusion in the Granite City school district. Open house programs will be held tonight at the Webster, Washington and Marshall grade schools, and on Thursday evening at Wilson grade school.

Final events at which parents are being urged to visit the schools will take place on Tuesday night, Nov. 21, when there will be open houses at the Madison, Washington and Franklin grade schools.

State 4-H Award To Fifty-Eighters Club

The Granite City Fifty-Eighters 4-H club was awarded the county and state safety certificates for outstanding club accomplishments in encouraging safety at the annual Madison county 4-H night at Edwardsville Thursday.

The county safety award is presented each year to a single club with an outstanding program. This club's accomplishments are then submitted to the Illinois 4-H committee in connection with other county winners for the state award.

The award is based on accomplishments in encouraging club members to attain such objectives as learning to reduce accidents on the farm, in the home, and in the community; learning to recognize hazards and how to avoid them; and stimulating the entire family to become safety-conscious.

A state outstanding project award was won by Ella Mullen, and Marilyn Bordenager, Kathy Kinney, and Hamlin, Donna Kinney, Ella Mullen, Diana Tadlock and Elaine Tadlock received county and state project honor awards. County project honor certificates went to Karen Bordenager, Diane Kinney, Barbara Lerch, Susan Mullen, Linda Mullen, and Cynthia Willard.

Mrs. Robert Bravne, Rural Route One, and Mrs. Ray Tadlock, 1517 St. Clair avenue, are co-leaders of the Fifty-Eighters club.

Small Home... or Big Farm...

One way to protect this most important investment is to secure the help of your family lawyer before you buy. He can explain your obligations and safeguard your rights at every stage of the transaction.

Another kind of protection you need is a title insurance policy from Chicago Title and Trust Company. Your lawyer can explain to you some of the risks which can threaten the title to your property... why a deed does not necessarily protect you as to the condition of the title.

When you buy real estate, be sure you retain a lawyer to protect your interests, and get a title insurance policy from Chicago Title and Trust Company to protect your ownership.

Posters Shown; Other Libraries, Activities

Winning entries in Frohardt school's art poster contest in conjunction with National Children's Book Week are on display today through Saturday as part of the Granite City public library's observance of the occasion.

In addition to the posters, entries, the library is showing hand carved characters by Albert Jones, Granite City wood carver, as well as a wide selection of new children's books.

Special activities are also planned at the Madison and Venice public libraries in observance of the week, which has been held since 1915.

Madison librarians will conduct tours for fifth and sixth grade students at 3:30 p. m. Thursday, and for the first four grades Friday, followed by a story hour. Special displays will also be offered.

At Venice, special displays of children's books and material will be shown throughout the week, with a special invitation to students to visit the library.

6 Local SIU Students Teaching In Area

Among the 42 students of Southern Illinois University's Edwardsville Campus doing student teaching this quarter are three from Granite City. Two from Madison and one from Venice.

Those from Granite City are Ruth P. Ruer, 2018 East 20th street, teaching second grade in the McKinley school; Phanie Lee Noonan, 2419 Cleveland blvd., teaching kindergarten in the Marshall school; and Doris May Casey, 2522 Grand avenue, teaching first grade in the Frohardt school.

James McGee, 1519 Market street, Madison, is teaching shorthand in Madison high school and Charles D. Hump, 1025 Russell ave., Madison, is teaching history in Lincoln high school in Lee Wright Homes, Venice, is teaching third grade in Blair school in Madison.

Twenty-nine public schools in 13 different communities are cooperating with SIU in the 12-week teaching period necessary to students wanting to obtain an Illinois teaching certificate.

In addition to Granite City, Madison and Venice, other cities in which cooperating schools are located are Alton, Belleville, Bethalto, Cahokia, Collinsville, East St. Louis, Edwardsville, Litchfield, Roxana and Wood River.

New Home Being Built With Fallout Shelter

At No. 25 Del Rio in the Holiday Gardens subdivision, a unique, and perhaps revolutionary, new house is under construction.

When completed early next year, it will be a three-bedroom brick ranch style home with a colonial columned front. It will have two tiled baths, a colonial kitchen, and an 18-20 foot television room.

From the outside, and for the most part from the inside, the house will look like a conventional modern suburban home in the \$20,000 price range.

But this house will have a feature which is perhaps the first of its kind in the area, a built-in nuclear fallout shelter, exceeding Civil Defense specifications.

Carl Miller, president of Miller-Wolf Realty, Inc., builders of the house, said he hopes the built-in shelter will be a selling point.

"Frankly, we're trying to generate some buying impulse," he said. "We'll use it as a display home, and if the shelter goes over, we will build more of them."

Miller said he feels a built-in shelter of poured, reinforced concrete has many advantages over shelters constructed after the house is built. He said cost of the built-in unit is about \$300.

Peter F. Jellen, Edwardsville, building contractor for the house, said several persons have noticed the walls of the 8x11 foot shelter in the basement and asked what it was going to be.

One prospective home buyer said he had never considered a fallout shelter, but thought if he bought a new house he would likely be interested in the built-in protection.

"We think this will be a sales feature," Miller said. "And if people want built-in fallout shelters, we'll give them just that."

Perhaps the Del Rio experiment will add a new dimension to Quad-City home construction.

CONCRETE CEILING of a built-in nuclear fallout shelter is poured at construction site of a new house being built at No. 25 Del Rio. The three-bedroom brick home, to be completed about next January, is believed to be the first in the area with a shelter built in at time of construction.

Safety Patrol To Be Sent To Washington
A member from a public or parochial school safety patrol in Granite City will represent the city on a trip sponsored by the Automobile Club of Missouri to the 26th annual National School Safety Patrol Parade May 12, 1962.

The announcement was made to Mayor Leonard R. Davis in a letter from Auto Club President H. Sam Priest. The mayor was requested to serve as chairman of a local committee to select the patrol member representative.

Announcement of the trip is being made at this time. Priest explained, to provide an incentive for patrol members during the school year and also to give more opportunity for judging individual performances of patrol members in carrying out their duties.

The club is proud of the school safety patrols and is pleased that it can send a delegation of patrol members to the parade in Washington each year," he said. "This is an outstanding event which brings national attention to the lifesaving work performed by the patrols."

Candidates will be judged on scholarship, citizenship, leadership and performance as a safety patrol during the current year. The local winner will be announced early next April.

State Officials Must Itemize Expenses
Effective this month, all elected state officials will be required to submit itemized expense accounts, showing the date and nature of expenditures, to the State Auditor of Public Accounts Michael J. Howlett has announced.

Previously, some state officials had submitted lump sum expense accounts each month. The new policy will require that they itemize all expenses, including food, lodging, incidentals and transportation, together with the destination of travel.

Howlett said the system will enable a more accurate presentation of accounts before warrants for payment are issued.

The project was authorized at the Nov. 3 city council meeting and is expected to improve the bridge's outlook on insurance rates. Until the closure is made, there is a slight chance that a crash victim thrown from an auto could fall through to the river in the area covered by the main spans.

Contract documents are available at the city clerk's office in the Venice city hall or at the New York office of Hardesty and Hanover, McKinley Bridge consulting engineers.

To Fill Christmas Baskets
Eagles To Begin Canned Goods Drive Wednesday
Preparations have been completed for the annual Christmas canned goods drive by the Fraternal Order of Eagles to start with a kick-off banquet at 6:30 p.m. Wednesday at the lodge building, 26th street and Madison avenue.

H. D. Karandjeff, local banker, and chairman of the Salvation Army's special Christmas committee, will be the principal speaker.

Other special guests will include Capt. Mildred Walker of the Salvation Army; Rev. Paul Surbey, pastor of St. John United Church of Christ; Mayor Davis, E. D. Kincaid of Union Starch & Refining Co. and Willie McCauley of East St. Louis, vice-president for the Eagles.

Last year, the lodge collected nearly 4000 cans of food which was turned over to the Salvation Army in its annual Tree of Lights campaign to provide Christmas baskets for needy families in the Quad-Cities area.

A lodge member recalled that when the canned goods drive started years ago, the members would turn in one can at each meeting. "Now they bring cases," he said.

At Wednesday night's banquet, Jack Lehne, lodge president, will serve as toastmaster. The canned goods campaign chairman for the second year is St. Clair "Ainly" Shuppert.

The dinner will be served by the Eagles Auxiliary under the direction of Mrs. Juanita Blevins, auxiliary president.

Tickets may be obtained from members or at the club.

Bi-State Transit Study Expected To Begin Dec. 1
An appraisal of existing transportation facilities in the two-state metropolitan area, initial action in creation of a unified mass transit system, is expected to begin Dec. 1, according to Col. R. E. Smyser Jr., executive director of Bi-State Development Agency, which is sponsoring the study.

Smyser said \$20,000 of the transit committee is scheduled to Nov. 30 with representatives of the W. C. Gilman Co. of the New York City firm which is to make the study. Work is expected to begin immediately after a contract with the firm has been signed, he said.

Smyser said \$20,000 of the \$100,000 pledged by six municipalities—including Granite City—financing the study has been received. The minimum amount necessary to begin the appraisal is \$40,000, he said, and anticipates receipt of another \$20,000 by the end of the month.

The New York firm will appraise the 12 separate transit companies now serving the metropolitan area and recommend to the Agency a purchase price for the entire system. The Agency then plans to buy existing facilities and provide a single unified mass transportation system, financed through the sale of revenue bonds.

Granite City Action
Granite City was the last of the municipalities to take action on the Bi-State request for funds to finance the study. The city council on Oct. 26 approved a grant of \$5000 to the Agency, at no cost to the city. General Steel Industries and Granite City Steel each will pay \$2000, and Community Coach Co. will provide the remaining \$1000.

Other pledges made to the Agency to pay for the \$100,000 appraisal are St. Louis and St. Louis County, \$40,000 each, and the cities of Belleville, East St. Louis, and Alton, \$20,000 each.

The Granite City council has taken no further action since approving the pledge.

Granite City PRESS-RECORD
Mon., Nov. 13, 1961 Page 13

Crop Insurance Corp. Increases Coverage
Next year's crop insurance policies by the Federal Crop Insurance Corporation will provide increased bushel-per-acre guarantees at lower premiums.

The 1962 guarantees will average 14% higher for corn and 6% higher for soybeans, with premiums reduced an average of 5% for corn and 8% for soybeans.

"The improvements," explains Federal Crop Insurance Manager John Luft, "will help provide more farmers with an effective, low-cost way to protect the ever-increasing amounts of capital which they must invest each year to produce a crop."

Under a new program to be offered, a farmer may select the dollar rate on which his indemnity will be based in event of a crop loss and pay a premium which is set accordingly. A loss occurs when his crop falls below the guaranteed yield and quality.

Madison City Office Is Moved To Main Floor

Madison city police is being transferred to a newly-created office on the main floor of the city hall. Records of City Comptroller E. J. Miller and City Clerk Percy Lux were moved from the top floor of the building late last week.

The area consists of a 25x15-foot office for desks and records files and an adjoining 15x10-foot room where supplies and duplicating equipment are stored. A window affords communication with visitors in the corridor.

The office is on the western side of the city hall, in extensively remodeled quarters formerly used by the police department. The police have moved across a hallway into the former fire station, and fire equipment now is housed in the next-door building formerly serving as a theater.

The new office space conforms to the police department design, with an acoustical tile ceiling, walnut wall paneling, a ceramic tile floor, fluorescent lighting, glass blocks and air-conditioning.

New furniture for the office has not yet arrived.

Miss Lillian Jones Succumbs At Age 62

Miss Lillian Jones, 62, a Granite City native who had resided in Dixon, Ill., for the past 26 years, succumbed Friday at the Dixon hospital after a long illness.

The only survivor in the immediate family is a sister, Mrs. Mary C. Davis of Chicago.

Services were held at 10 a.m. today at a Granite City funeral home, with burial at St. John's Cemetery. Other interment at the Dixon hospital after a long illness.

Santa Claus 'On File'

Granite City council members have on file a request from the Associated Retailers to place a Santa Claus cabin on Edison avenue at 19th street starting next week. It was erroneously listed in last Thursday's issue that approval had been granted. It is expected the council will give further consideration to the request at its next meeting.

SIU Urges Continuation of GC Police Training Program

(This is the 41st in a series of articles based on a reorganization study of city government in Granite City by Southern Illinois University.)

Continuing with its report on the Granite City police department, the SIU team pointed out that "Granite City's police chief has made excellent use of the development of a training program for the department."

"He fully realizes the value of having men on the force who are properly trained in the performance of not only their immediate jobs, but in all the many related activities with which a policeman must be familiar."

The seven-day training session held for two hours each day in February showed how effective a well-thought out and run-

program could be in bringing information on police administration to the men in a palatable form. These programs should be continued on a regular basis.

Suggest Training Officer
"It is recommended that the chief appoint a training officer who could be one of the shift lieutenants or sergeants. It would be his responsibility to maintain records of training materials and available talent for instruction."

"He will plan and arrange for the in-service training sessions under the direction of the chief of police. He will keep abreast of the latest literature on new training techniques and on books published dealing with law enforcement subjects. He will be a staff officer in addition to his regular police duties."

"The training officer also

should make arrangements with the Granite City school system for periodic classes in teaching techniques for the officers who will serve as in-service training instructors."

"Most of the instruction in in-service courses should come from within the department. Members of the department should be encouraged to attend outside training institutes and courses, but only if they are capable and are willing to serve as an instructor in the training courses set up by the department."

"In this way, not only does the individual gain, but he is able to impart his knowledge to the other members of the department. It also is recommended that all members of the department, including the chief, take part in all training sessions."

Administrative Training
"In addition to the excellent in-service training program instituted this year, there is a great need for administrative training of the high command of officers. An officer must realize that as he rises in rank in the department, he becomes less a policeman and more an administrator."

The chief is almost 100% involved in administration and only insignificantly does he serve as a policeman. Unfortunately, a few policemen realize this change in their responsibilities. Several courses are available, any of which could be used to advantage in Granite City.

The chief, assistant chief, the chief of detectives and the shift supervisors should attend one of the following courses at the earliest opportunity:

"The Municipal Police Administration class by the Institute for Training in Municipal Administration, International City Managers' Association at Chicago, and the Southern Police Institute which presents courses in police administration. Police instruction techniques, investigative techniques and other valuable police training subjects."

The course presented by the International City Managers' Association has been used successfully in police departments all over the country. The textbook associated with the course has been continually brought up to date and is a standard reference for police officials. This course should be arranged for locally and conducted by an outside expert who has had experience in teaching."

eral Contracting Co., \$118,445, the high bid.

4 Ways To Finance
It was reported earlier the city has four choices of financing the project: through the lease of the building; through the sale of general obligation bonds; through the sale of revenue bonds; or through the use of general operating funds or issuance of revenue bonds.

Recipients were Mrs. Georgia Woodford, Logan PTA Pack Four; Mrs. Marie Syme and Mrs. Lorraine Paladini, St. Joseph's Pack Seven; and Mrs. Betty Hoots, Washington PTA Pack 19.

Scout training awards were presented to mark completion of basic lessons in the job assigned, three years' service, completion of four additional training opportunities and high performance.

Those honored were Cleo Evans, First Presbyterian Church Troop Eight; Rodell and George Gluka, Eagles Troop 15; Mrs. Mitchell Troop 122; Robert and Windsor, neighborhood commissioners; and Rodgers and Louis Laster, assistant district commissioners.

Arrowhead Awards
The "arrowhead" honor for completing commissioner basic training, specific projects and at least six months of service was awarded to Winford, Rodgers and Floyd Pitchford, a neighborhood commissioner.

Women's Reserve members honored were Mesdames Margaret Vrenick, Elsie Rodell and Iris Watson.

The Attorney Randall Robertson served as master-of-ceremonies and gave the welcoming talk and concluding address. Presentations were made by Robert McCoid, training awards; and Council Commissioner Rollin Herra, arrowhead honors.

Robertson's topic was "Challenge of the ISMs."

Valters conducted a business session. Blankenship presented the nominating committee report and Walters conducted the election. District Commissioner Bernard Miller Jr. recognized the leaders attending.

Reports showed that 27 units took part in the 1961 scout fair, 16 troops and 134 scouts participated in a swimming meet, troops and 217 boys took part in the fall camporee, advancement in rank was attained by 549 cub scouts, 243 scouts, 220 days and nights of camping were reported, 38 units participated in first-aid meets, 144 leaders were trained, and roundtable meeting attendance averaged 44 cub leaders and 26 troop leaders.

New units were organized by the Associated for Aid to Retarded Children, Central Christian Church, Moose, Belmore Assembly of God Church and the Coolidge.

Two-Car Collision
Two southbound autos on Nameoki road collided at 4:40 p.m. Saturday near Spring avenue. Police reported damage to autos driven by Carolyn Pyle, 16, of 919 Third street, and Fred Bailey Jr., 16, of 4902 Kirkpatrick Homes.

SOCIETY 12 Theft Reports Include Break-Ins At Two Schools

Gabriel Shrine 78, White Shrine of Jerusalem, held a stated meeting and all-officers party Thursday evening with district supreme appointments as guests of honor.

Mrs. Helen Metz, Granite City supreme district deputy; Mrs. Helen Haack, Alton, district chairman of material objectives; Florence Jackson, Wood River, district chairman of membership; and Otto Hepp, Alton, supreme district deputy, were escorted and introduced.

The Pals, members of Ruth Chiles in Missouri and Illinois filled the stations, and officers of Gabriel Shrine were present with gifts after being escorted and introduced.

Refreshments were served in the dining room to approximately 225 members and guests. Decorations were in keeping with the Thanksgiving season.

A ceremonial and Christmas party will be held at the next meeting. Grace Bourbon, worthy high priestess of the Shrine and Venerable Cherry is watchman of shepherds.

Mrs. Buerste Presides Over Sorority Council

Mrs. Rosalie Buerste, president, presided Sunday at the first open board meeting of the Illinois State Council of Sororities, Sigma Alpha sorority held at Mrs. Marquette Lodge.

Alpha Psi chapter of Alton was the hostess group and lunch was served in connection with the meeting.

Commitments were read and favors were consummated, filled with candy on autumn leaves and decorated with candles also adorned the tables.

Approximately 55 were present. Attending from here with Mrs. Buerste were Mrs. Millie Clements, Mrs. Joyce Albers, Mrs. Betty Williams, Mrs. Justina Bell and Mrs. Betty Dick, all officers and members of Beta Phi, and Judy Hines, president of Epsilon Eta chapter.

The next meeting will be held in Lincoln, Ill., on March 18.

Coy-Roboff Nuptials

Miss Ann Roboff became Mrs. Marion Coy in an intimate wedding ceremony Saturday evening at Trinity Methodist Church.

Rev. R. L. Bryant officiated at 7 o'clock in the presence of the families, and a dinner and reception were held afterward at the Rose Bowl.

Attendants were Miss Betty Schuler and Ralph Kern, the bride wore a Kelly green suit, a matching headpiece and a white orchid corsage.

The newbrides are residing at 2601 East 25th street. Both attended the Granite City high school. Mr. Coy is employed by the Granite City Steel Co. His bride is employed in the Alton plant.

The former Miss Roboff is a daughter of Mrs. Victoria Roboff, 2206 Washington avenue. Mr. Coy is a son of Mrs. Claude Coy, 3008 East 23rd street.

Mr. and Mrs. John Schmidtke, 3217 Fehling road, had as their guests over the weekend of Nov. 24, Mrs. Herman Delbitz, of Milwaukee, Wis.

MORE ABOUT GC Man Crash Victim

(Continued from Page 1)

Thursday on Edwardsville road just north of 21st street, injuring three persons. All three vehicles were headed south.

Listed in fair condition today at Christian Welfare Hospital, East St. Louis, with injuries to his left foot and leg is Floyd Hale, 33, East St. Louis, driver of the stalled truck. A hospital spokesman said that Hale will have to undergo surgery. He was treated at St. Elizabeth Hospital following the accident, and then transferred to East St. Louis.

Also injured was Frank Thomas, 61, Collinsville, who was treated here for abrasions to his right eye and nose and was x-rayed for knee injuries. Thomas, a mechanic for W. L. Waggoner Co., 1348 Market street, Madison, was in a company truck driven by Stanley Roy Daniel, 21, of 2317 Lincoln avenue, who had come to the aid of Hale. All three men are employed by Waggoner.

Also injured was Roy Daniel, 21, of 2317 Lincoln avenue, who had come to the aid of Hale. All three men are employed by Waggoner.

Three persons were injured at 10:20 a.m. Saturday when an eastbound truck on Grand avenue, driven by John B. Grammer, 71, Rural Route One, collided with an eastbound auto, driven by John A. Kramer, 16, of 1331 Benton street.

Taken to St. Elizabeth Hospital were Grammer, Kramer, and William Lynn, 17, of 2109 Fourteenth street, a passenger in the Kramer auto. Grammer was admitted with back injuries. Kramer is listed in fair condition today. Kramer was treated for a cut on his upper eye lid and Lynn was treated for abrasions to his head and face.

Grammer was charged with failing to yield right-of-way and violation of a provision of his driver's license, which he posted as bond.

Minor injuries were suffered by four young men about 14-15 years old Saturday when their car ran off new highway pavement and down an embankment.

State police said the driver, Franklin Romano, 20, of Alton, was hurt, and that he apparently had driven around a barricade to get onto the new pavement.

Also hurt were passengers, Jerry Schenke, 20, and Thomas Chalm, 23, both of Alton, and Donna Granger, 19, of Cincinnati, O.

Elderly Couple Hurt
An elderly Granite City couple is hospitalized here with injuries suffered Saturday when their auto skidded on wet pavement and off the roadway near 2nd street.

Injured were Earl Kipp, 78, of 1932 1/2th street, who suffered head and back injuries, and his wife, Mary, 76, who is being treated for a hip fracture. Details of the accident were not available.

Car Overturn, 2 Hurt
A local couple, Glen McIntyre, 20, of 521 Fleming avenue, and his wife, Betty, 16, were injured Saturday when their auto skidded on the wet pavement of Lincoln theatre.

McIntyre, who was driving home after visiting relatives, they were taken by ambulance to St. Elizabeth Hospital.

Auto Stolen
A 1956 light blue two-door, with no chrome on the front end, was stolen Saturday night from Spicer-Brooks Auto Sales, 1349 Nineteenth street.

Car Stolen, Recovered
State police recovered a 1953 automobile Saturday in Collinsville, that had been reported stolen a few hours earlier from the rear of a tavern at 24th and Broadway streets. The car was owned by Leo Cook, 1935 Skene street, Madison.

Locate Stolen Auto
A 1954 auto found parked in the 1700 block of 2nd street at 9 a.m. Friday was returned to the owner, James Dollins, St. Louis, from whom it had been stolen.

Theft At News Stand
Three teenage girls stole \$2.50 in change from a news stand at 18th and State streets, operated by Richard Voss, about 8:30 a.m. Saturday. The theft was reported to Granite City police by the Granite City News Co.

Stricken, Hospitalized
Ray L. Honan, 4807 Kirkpatrick Homes, suffered an apparent heart attack shortly after entering a tavern at 24th and Broadway streets at 8:45 p.m. Saturday and was taken to St. Elizabeth Hospital, being transferred later to St. Luke's Hospital, St. Louis.

1st Annual Meet Of Protestant Welfare Group

(Continued from Page 1)

Welfare that builds rather than degrades, was argued by Gene H. Sternberg, local contractor and an Optimist International vice-president, in an address at a Protestant Welfare Association banquet Thursday night.

Praising the Protestant Welfare group as "personal, practical compassion in line with God's purposes," the speaker said it is intended to "upgrade social conditions and increase people in their stature."

"The nation is becoming increasingly soft, and a welfare state and its softness could hasten the end of our civilization," he asserted.

has authority to impose taxes and that both carry out projects through issuance of revenue bonds. Judge Clark added that while the powers of the two agencies are similar, the port district has only a portion of the powers available to St. State.

Jungels gave a history of the group, noting that it was started in July 1953, with the charter meeting held in October 1953. Harris reviewed the past year and gave the welcoming talk, and prayers were offered by Rev. Paul Sierberg, pastor of St. John United Church of Christ, location of the smorgasbord dinner, and by Rev. James Bradlock, pastor of the Central Christian Church.

City high school vocal music director, sang two selections, "The Lord Is My Shepherd" and "Oye Peace I Give Unto You," accompanied at the piano by Mrs. Simpkins. He led group singing of "For the Beauty of the Earth," "Vive l'Amour" and "Happy Wanderer."

A report for the Jan. 1, 1962, period showed expenditures of \$11,534, with 261 cases handled and 1046 persons aided. There were 403 relief orders, and assistance with food, rent, new and used clothing, used furniture and household appliances, medical and utility bills, fuel, counseling, help for transients and job placements. Christmas baskets were provided for 107 families.

Recognition Certificates
The speaker was thanked by Atty. Charles Jungels, who presented the association's first certificates of recognition to the "Vice-President," Clarence H. Harris, First Vice-President Thomas W. Kelso, Secretary, and Treasurer Roy M. Lynn and Mrs. Irma Taylor, secretary. He also presented certificates to planned.

Reduced Office Allowance Causing Hardships For JPs

(Continued from Page 1)

"Did you ever try to pay rent and cover office expenses for one month with \$50? That's what Madison county's five justices of the peace are supposedly doing," according to local JP Harry Hartman.

With the aid of a few cigar boxes for filing purposes, District Justice of the Peace Hartman recently moved his office to the Larry Building, 1930 Edison avenue. However, he finds a few things lacking.

"The volume of business shouldn't be a criterion at all," Hartman said. "It doesn't matter if a justice handles 20 or 200 cases a month."

Hartman has not set office hours for his new courtroom but he has said they will be reduced.

MEDAL WINNER — Airman First Class Robert O. Sawyer, son of Mr. and Mrs. Lee O. Sawyer of 2326 Delmar avenue, is congratulated by Maj. Gen. W. J. Bell, commander, Lackland Air Force Base, Tex., upon receipt of the Air Force Commendation medal awarded to him of a recent parade and review.

Speeding Arrests
Five motorists were arrested on Madison avenue Friday night by Granite City police and charged with speeding as indicated on radar. Posting drivers' licenses as legal were: John Thompson, 1914 of 1601 Third street; Madison; Gary Delaney, 17, of 2663 Washington avenue; Robert E. Houston, 30, Rural Route One; James H. Strack, 17, of 2663 Washington avenue; Robert H. Thomas, 18, of 1410 Nieringhaus avenue.

Co. Financial Problems
(Continued from Page 1)
Jan. 1-Dec. 31, hope was expressed that state action would ease the "squeeze" with only the five-month budget shoving the impact. However, it has been concluded now that the next 12-month budget also will have to be distorted from what had become the customary level of expenditures.

City Utility Issue
Meanwhile, the County Board of Review has asked the City of Edwardsville to submit a report of city water department holdings outside the city limits. Opposition has been expressed based on the assumption that the county is seeking to tax city utilities located in unincorporated areas.

Leo J. Struff, review board clerk, cites a directive from the Illinois Department of Revenue commenting that "We were ordered to assess all city personal property — municipally owned power, gas and water plants — outside the city limits."

Edwardsville City Attorney Robert Trone says he believes the property is exempt from county taxation.

Mrs. Frances Becker, 51, Succumbs Sunday
Mrs. Frances Lydia Becker, 51, a Granite City resident since 1953, succumbed to cancer at her home, 2725 Monroe street, at 11:15 a.m. yesterday. She had been ill and under medical care for the past year.

Born in St. Louis, she was last nurse grandchild of Rehebek Lodge 477.
Survivors include her husband, George F. Becker; a son, George Jackson Jr. of Granite City; a daughter, Mrs. Jacqueline Little of Granite City; and two grand-children. Funeral arrangements are given in the obituary column.

50 Attend Second Town Town Dance in Mitchell
The second Town Dance held for Mitchell residents was held at Mitchell grade school Friday evening, being attended by about 50.
